SBA Launches New 100-Percent Guarantee ARC Loan Program to Help Struggling Businesses

Monday May 18, 2009, 11:05 am EDT

WASHINGTON--(BUSINESS WIRE)--Small businesses suffering financial hardship as a result of the slow economy may be eligible to receive temporary relief to keep their doors open and get their cash flow back on track through to a new loan program announced today by SBA Administrator Karen G. Mills.

Beginning on June 15, SBA will start guaranteeing America's Recovery Capital (ARC) loans. ARC loans are deferred-payment loans of up to \$35,000 available to established, viable, for-profit small businesses that need short-term help to make their principal and interest payments on existing qualifying debt. ARC loans are interest-free to the borrower, 100 percent guaranteed by the SBA, and have no SBA fees associated with them.

"These ARC loans can provide the critical capital and support many small businesses need to make it through these tough economic times," said Administrator Mills. "Together with other provisions of the Recovery Act, ARC loans will free up capital and put more money in the hands of small business owners when they need it the most. This will help viable small businesses continue to grow and thrive and create new jobs in communities across the country."

As part of the Recovery Act, the ARC program was created as a no-interest, deferred payment loan to help small businesses that have a history of good performance, but as a result of the tough economy, are struggling to make debt payments.

ARC loans will be disbursed within a period of up to six months and will provide funds to be used for payments of principal and interest for existing, qualifying small business debt including mortgages, term and revolving lines of credit, capital leases, credit card obligations and notes payable to vendors, suppliers and utilities. Repayment will not begin until 12 months after the final disbursement. Borrowers don't have to pay interest on ARC loans. After the 12-month deferral period, borrowers will pay back the loan principal over a period of five years.

ARC loans will be made by commercial lenders, not SBA directly. For more information on ARC loans, visit www.sba.gov.

Wells Fargo to host Kids Savings Day for Lincoln County Chamber Open House

Customers can also earn \$25 for referring a friend to open a checking account

Shoshone, Idaho, May 20, 2009 – Wells Fargo's Shoshone store will host a *Kids Savings Day* and a *Refer a Friend promotion*, June 13, 2009 as part of the Lincoln County Chamber of Commerce's Open House.

Kids Savings Day introduces parents and children to the value of saving in a fun atmosphere which includes games and giveaways. By involving the children, they are more excited to save for things they want, such as bikes, electronic games, school clothes and even college. It helps to have a specific goal in mind to save towards, and saving provides peace of mind in these economic times. In fact, we are recommending that families continue to work to save some money for immediate or long term needs.

The *Refer a Friend* promotion is an opportunity for Wells Fargo customers to add \$25 to their account when they refer a friend, relative, co-worker or acquaintance to open a new checking account. The new customer also receives a \$25 bonus for their new account.

"Our team members are dedicated to meeting the financial needs of our customers and all the residents of Lincoln County," said Chrystine Davis, personal banker for Wells Fargo's Shoshone store. "Our open house activities are geared to help both children and adults achieve financial success."

Gooding Fairgrounds home to a “Western Weekend”

To all of those who enjoy and love things important to our western heritage in Gooding and the surrounding area, this is your weekend. Kicking off the two days of festivities the first half of the ranch rodeo will be held Friday evening in the Andy James

Arena at 8:00 p.m. Saturday morning the fun continues with an all horse and horse drawn parade down Main at 10:00

a.m. After the parade the wagons and ranch hand rodeo contestants in the parade will circle up to a main camp at the fairgrounds. After the parade cowboy and cowgirl cooks will be setting up in the camp area for the cook off, all of the food prepared must be done in either a dutch oven or over an open flame. At the conclusion of the cook-off the food will be sold to the public with all of the proceeds going to the Gooding County 4H program for the improvement of the fair facilities.

Draft Horse Show a big part of Western Weekend

The big boys of the horse world will take center stage in the Andy James Arena beginning Saturday at 11:00 a.m. with several classes held throughout the day in Gooding’s annual Draft Horse Show.

Ranch Hand Rodeo

The highlight of Gooding’s Western Weekend would have to be the Ranch hand Rodeo. These are not your average rodeo cowboys but working cowboys who saddle up every morning rain or shine to earn a living on the back of a horse. The events, like the cow-

boys are not your average rodeo events either. Horse Roping, Team Branding, and Colt Riding/Ranch Bronc Riding are just three of the action packed events fans will be treated to. Action begins Friday evening at 8:00 p.m. and again Saturday at 8:00 p.m.

Food, fun, music and stories

A Western Weekend would be incomplete without old time music, cowboy stories and poetry and both Friday and Saturday evenings will be filled with cowboy lore, poetry and good old cowboy music after the rodeo performances Friday & Saturday, all set around the campfire in the cowboy campground.
